1st Annual 4th of July Celebration was a hit!

Our 4th of July was a great one here at Savannah Creek!!! The burgers were yummy, the bands great, and the

fireworks were terrific!!! The only thing missing was the rest of our lot owners that weren't able to be here! We are thinking

about having one of the bands that played, Mountain Top Bluegrass, come back on Labor Day and would like to hear your comments on that and know if you will be here then.
